tristan

Hot, yeah that's what they say about me. I'm always moaning and groaning, even when giving a blow job. Guys tell me they like the faces I make when getting fucked, but they are only natural. I've tried to be more quiet but that doesn't work, so I just keep on moaning because it's a real turn on for me – and you.

young is fun

Looks can be deceiving. Especially in Amalia's case. She's beautiful. True. She's smart. True. She's a sweet girl. Not so true. She's a sweet girl with a dirty mind. She likes her sex long and hard. She expects it to last all day, because if she's giving her pussy and ass and wants it to be perfect.

BETTER THAN I DREAMED

I swore I was going to be a virgin the day I married. I swore there was no way I was going to have sex before my wedding night, and no way I would get married before I turned 19. But I broke those vows last Saturday night. And oh, god!—am I ever glad I did! I can't believe how much better it feels to fuck than to pet my pussy myself.

I think what happened is that when Justin touched me, he touched me in an absolutely perfect place. I mean, his fingers were bunched together and he pressed right on top of my clitty, and I thought I was going to scream out loud, it felt so good. That was the moment. That's when the vows washed away. It just felt too good in my clitty and my pussy. And it was as though my pussy could whisper to me and say if you think this feels good, wait till you feel Justin's hard thing up inside you!

From that moment, I never hesitated. I wanted Justin's thing inside me. I grabbed his crotch and started squeezing and stroking him. It's funny: Justin moaned, and that little puppy noise affected me like more touching down there. I pretty much tore his clothes off. Not that he minded. My pussy squeezed tight when I first saw his thing. It seemed so dark, and…well, it doesn't matter what I thought, because the only thing that matters is what I felt. And what I felt was that I was going to die if I didn't get him up inside me. My pussy was going crazy, begging me, demanding to feel Justin pushing into me and rubbing all the places that were just going crazy to be rubbed.

Justin got on his knees between my legs and used his hand to guide himself to my opening. I don't know how he knew, but he got the exact right spot. The dome on the end of his hard-on was all hot and felt velvety where it touched the outside of my pussy. I was so hot, and my pussy wanted it so bad, that I forgot all my worries about whether it would hurt. My pussy was insisting that it was going to feel good!

Justin pressed at the opening. It was like fire blazing up down there and rushing through my whole body. All the excitement I had felt was suddenly doubled. Tripled. I was hotter and hornier than ever. Justin breathed hard, almost panting. He looked so sweet, with his hair sort of hanging forward and this really intent look on his face while he tried to guide himself into me.

When he pushed, the hot feelings got hotter. My pussy clenched and loosened, and felt all wet, like all my muscles were turning to jelly.

Justin made little bumping movements with the middle of his body like we were already making love, and the pressure got more and less and more and less, and just about made me scream again with how good it felt, and with how bad my pussy wanted to feel Justin up inside me.

Suddenly Justin gasped, "Oh, shit!" and moved hard against me, and I realized as he went stiff and groaned that he was climaxing. His stuff came squirting straight into the very outer part of my pussy. His thing moved against me, jumping, and the hot stuff squirted, and my pussy still wanted to feel him inside me, but I knew I wasn't going to. I'd never done it before, but I'm not totally ignorant!

Except I was wrong! After Justin squirted all over the opening to my pussy, his thing stayed hard. And I guess maybe his stuff helped lubricate me. Anyhow, after a minute, he was pushing again, and I was humping up to meet him, and there was this weird moment that I can't describe, and then I knew Justin's hard thing was inside me! Oh, god, what a feeling!

I never had anything inside me but my finger, and believe me, a hard Justin is nothing like that! My muscles were all weak, and yet I felt like I could jump over the moon. Justin had to push and pull back and push about five times before the whole length of his hard thing would fit inside me, but when it was there, I was dying with happiness. I felt so close to him, but even more than that, I felt like I was going to fly into a million pieces and come and come and come. This was definitely better than petting my pussy in bed alone at night!

Justin made love to me, and every movement pulled my pussy tight and made my clitty tingle. I was so fired up that I felt myself getting ready to come before I even knew what was happening. I guess I was actually scratching Justin's poor bare back when I came, because I lost it totally. I was on fire, and Justin's thing inside me made the fire hotter and hotter. Justin came again, too, but I couldn't feel the stuff squirting inside me because I was coming so hard. My first time was so good I can't tell you, but the second time was even better. And now Justin is going to get some rubbers, and I'm going to lose count of how many times I've fucked! I can't wait!

PASSING THE TIME

Scarlet and Natalie have known each other since forever, and know each others' likes and dislikes. One thing they shared together was the love of fashion magazines. Natalie's mother subscribed to a lot of them and Natalie, out of curiosity, would take her favorite magazine to share with Scarlet. They especially liked the articles on sex and stories of romance and infidelity that permeated the issues. The readings always made them feel different. The sensation they felt that came from within made them wet their panties.

The beginning of the article was the same as most others they encountered. It started off with royalty, the parents setting a prince and woman up against their will, and sexual tensions leading up to the climax. As Natalie read aloud, a section with a princess thinking playfully about her prince came about. "This could get interesting." said Natalie. Scarlet continued listening to the tempting read.

Natalie kept on and read through the intimate section. Scarlet felt the sensation fill her again and she felt her labia moistening again. The lining of her cotton panties started to absorb her wetness, which made Scarlet feel quite uncomfortable.

The details in the woman in the magazine masturbating made Scarlet even hornier. "I have to go. I'm not feeling too good." she said. Natalie gave her a suspicious look, but allowed her the benefit of the doubt for actually being sick.

I was on fire, and Justin's thing inside me made the fire hotter and hotter.

Scarlet and she were best friends, and figured she'd never lie about something like that.

As Scarlet furthered the charade of her sudden 'illness', Natalie gave her the magazine. Scarlet looked up with surprise, and Natalie jokingly replied, "To pass the time." Scarlet said her goodbye and acted as if she was still in pain until she reached her house across the street. She could barely wait to try the relief method the princess performed in the story. When entering inside, she saw her mom preparing dinner. Scarlet walked up the stairs and shut the door to her bedroom. She opened the magazine and found the right story and started off where Natalie left off.

She sensed more scenes like the previous nature were coming up, and Scarlet could tell. As she began a new one she decided it was the perfect time for action. She worked her right hand down her tight skinny jeans, and rubbed the soaked panties above her pink flesh. It didn't feel like much, but it was a start she thought, continuing with her probe. She felt her nub near her opening and she rubbed it to give her pleasure.

She pulled out her hand and put down the magazine. Then she pulled off her panties and jeans. She picked up the book and read on about the sexual acts taking place. Again feeling a great deal of horniness, she put her hand in between her pussy's folds, and spread her legs for easier access. She found and rubbed her sweet spots and rubbed all over for the release to happen. Scarlet put a finger in her tight hole and felt more of the lubricants she produced.

She brought her finger back up and decided to ravish the nub that gave her tingling all over. The intensity in her body quickly escalated and she had to put the magazine down. She took her free hand and used two fingers to give a better rub of her sweet spot. Scarlet's other finger traced circles around her clit which built a fire up inside her. She felt a greater force build up and without warning she moaned out loud. She could feel her heart start to pound inside her chest as she thought about the naughty texts she encountered.

She was rubbing harder and faster on her clit, abusing it. By instinct Scarlet knew this was part of what she was doing, but the feelings she gave herself overwhelmed her. She held her breath and kept rubbing. All of a sudden a mass amount of wetness succumbed between her legs. She rubbed faster and faster. The feelings too much she started lifting her ass off the bed. A sensual feel within her spread throughout her whole body and Scarlet felt the wave of her orgasm come on. She continued with her hands faster and felt the build up of pleasure radiate through her whole being.

Scarlet was in a state of bliss as the orgasm took control of her body. A sheer of sweat coated her, as her clit contracted from the welcoming touch of her fingers. Scarlet soon felt her orgasm die off, and crashed back on the bed. She was tired and still out of breath from the experience. She lay there, and replayed the marvelous moment over and over in her mind. She then drifted to sleep happily dreaming about her imaginary prince.

fill my tight ass adria

He entered the bathroom in nothing but a towel. Her ass was looking incredible, as she stepped foot into the bathtub. As she was finishing, her man came in, and they started to get down, Adria returned the favour by giving him an amazing blowjob. He then licked her pussy and ass to get her ready for sex. Once they were both ready, he gave her pussy a good drilling, but that was just the beginning. Adria got on top and rode his cock up her asshole in some super hot anal.

a race to finish

I have to admit that one of the best sexual encounters I've ever had was with a guy who had a huge cock. Some ladies think that too big hurts when you fuck. I've mastered giving head with my mouth and hands so that the guy feels like it's all in. I love the long schlong and just cannot get enough if it. Men love that!

The guy I'm talking about, Seth, was a race car driver on a pro circuit that races in a different city every weekend. This particular weekend they were in mine, Phoenix, and I was talked into going to the races by my girlfriend, Maria, who had an "in" with the race promoter. She said we could meet some of the drivers if we wanted to. That comment made me feel like a groupie at a rock concert, but I agreed to go anyway. The weekend came around and we went to the track, watched the race (kinda exciting, but not my cup of tea!), and then, after the crowds went home, we went down to the pits and met some of the racers. Maria's friend introduced us to a few of the teams and then to Seth's. He came in third, but had led for most of the race. By the time we got to his pit, most of their stuff had been put away, so Seth and his pit chief invited us up to the clubhouse for drinks. I didn't want to go, but everyone else did, so I tagged along.

After a few drinks, I was feeling tipsy and engaged in the conversation. Seth actually turned out to be a nice guy and kept us engaged and laughing. Little did I know that was just the start of bigger things to cum. It was now well into the evening and we hinted at going home. Seth, apparently, did not want the evening to end and invited us to his room. Feeling adventurous, I decided to go with him, but my friends both declined.

We went to his suite and sitting on the sofa, he continued with the racing stories. Then he came over and started kissing me deeply, shoving his tongue as deep into my mouth as he could. I moaned with pleasure as his hands moved down and tore my blouse open and began fondling my breasts, kissing each one and then kissing me some more. Then, he pulled my skirt and panties off in one swift motion and before I knew it he laid me back on the sofa, pulled out his huge cock and pushed it inside of me. I shouted out loud with pain and then pleasure, and after few deft strokes he got into a rhythm that filled me with ecstasy and I came within five minutes.

He pumped furiously a few more times and as I sensed he was about to cum, I pulled his cock out of me and was amazed at its size. My hand did not go all the way around it. I pushed him back, stood up and

looked down at it. After a moment I looked at him and was about to say something when he blurted out that if he let me see it before we fucked that I wouldn't do it with him. I chuckled at him and said it was all right. I enjoyed it. Wasn't it obvious, I came immediately. I got on my knees and started to give him a blow job. The cock's head was just enormous. It was almost the size of a tennis ball but purple with an inch long slit in it. The shaft was long and thick. Like one of those English cucumbers but fatter. Blood vessels were bulging and it looked like a Medieval battering ram.

Undaunted, I took it in both hands and began licking it all around. The taste of my pussy juices was replaced with liquid from my mouth and I grabbed the shaft with both hands, pulling and pushing it as I sucked on the head. I slid my tongue into the slit and wiggled it around tickling him. I moved down the shaft to his balls. I noticed that they were normal size and I tasted them. As I looked up, that huge penis extended to his navel! As I slipped a hand up to it's tip, my arm was just a little longer than his cock. My eyes opened wide with amazement as I licked up the shaft and back onto the tip of his cock. I got the head and a couple inches in and managed to get him off.

Suddenly, there was a knock at the door. Seth quickly put on his boxers and I hid under the covers. He opens the door and I hear Maria's voice. I hold still under the sheets, and then -- swoosh -- they are pulled off me exposing my nakedness, and embarrassment to both of them.

"Funny seeing you here. And like this." Maria says with a smirk in her voice. I try to cover myself with my hands but realize I can't and just let it go. They both stand by the bed and pulled me up. Seth pulls me close and Maria leaves the bedroom. I hear a low growling noise and ask what that is. Seth reassures me that it's nothing and a moment later Maria comes in and takes us both by the hand out to the Jacuzzi in his suite. She has done this before, I thought to myself. By the tub, Maria takes off her clothes and Seth drops his boxers. They get in and beckon that I do the same. I step into the warm turbulent water and settle into one of the bench seats.

Seth eases across the Jacuzzi and settles between Maria's legs. She opens them to accept him and closes them around his waist pulling him to her. I moaned at the sight. Seth slowly stands with his erection and she obediently opens her mouth and takes him in. Seth watches his cock slide in and out of her talented mouth. Maria wraps one hand around the base and another around the shaft. She runs her tongue up the side and takes the head in her mouth. She hesitated then slowly took him in until her nose touched his abdomen.

Seth watched his cock become wetter and wetter as Maria coated it in saliva. She formed a perfect "O" with her mouth and took the head in again and started to pump his cock with her hand. Maria used her other hand now and started to softly play with his balls and this produced another groan from Seth. He pulls his hard cock from Maria's mouth and leans her back so he could get to her pussy and started to return the favor. Seth used his tongue to lick up her slit and across her clit. He slowly licked back down and forced his tongue up her pussy as far as he could.

Maria was already very wet from having that hard cock in her mouth. Seth slowly licked her outer lips and traced his way back to her clit and slowly sucked it into his mouth. Maria brought her hand down to hold Seth's head in place. Seth then stopped, turned her around, bent her over the side of the tub

and started to do the same to her asshole. He spent a few minutes licking the tight ring while using his hand to play with her pussy. When his finger was coated in pussy juice, he started to rub her anus and work his finger in. Maria couldn't believe how good this felt. She was very aroused by the new sensations and found herself pushing back against Seth's finger trying to take it all in.

I was watching the scene unfold and slipped a finger into my own pussy. I could see Seth's finger was almost completely inside Maria's tight ass as he reached around with his other hand and started to rub her pussy. Seth knew she was close already and wanted to cum. He suddenly sank the remainder of the finger in her ass and one into her pussy. Maria screamed as her orgasm quickly rocked her body. I was nearing one myself but stopped because I didn't want to cum so quickly. I grabbed a nearby bottle of lube and filled my hands with it and proceeded to coat Seth's cock. I then moved to Maria's round ass and massaged some into her anus. I couldn't resist the urge to work a finger into Maria's incredible ass.

He positioned his hard cock at her back door entrance and slowly started to push it into her. Seth continued to work his cock deeper into Maria's bowels as she did her best to relax and take him in. Maria was learning quickly and the pain was turning to pleasure. After several minutes Seth finally had his entire cock in her ass. Seth could tell she was adjusting to him quickly so he only paused a second before he started to slowly pump his hard meat in and out of her ass. He knew he would not last long. Maria's excitement was sending him to a quick orgasm but he didn't want to cum without her.

Seth started to move a little faster but the feeling was too much for Maria. Maria felt her whole body come to life as she came. Seth came as he felt her ass tighten around his cock. Maria even liked the feeling as he came deep in her bowels. Seth collapsed on her back and nobody moved for a minute of so. Seth finally pulled his softening cock from Maria's ass and the three sat in the warmth of the Jacuzzi coming down from the erotic high.

I started to say something and stopped. Seth drifted over to me, took my hand and put it on his cock under the water. Even in his after-orgasm stage it was still large and hard. I stroked it back and forth as he looked directly at me. I don't know how Maria took such a large thing up her ass unless she did it often. Maria could see my hand working on his cock under the water. He stood up, warm water dripping off him and my hand was still attached to his cock. Maria slides over and quickly takes his cock in her mouth. The both of us work in unison, sliding up and down his shaft.

Without even thinking, Get behind him and push him over at the waist. I take my hand off his cock as Maria continues sucking him off, and spread his ass cheeks apart. My tongue speeds to his butthole and I begin licking the pruned hole furiously. I feel him moan over the Jacuzzi's motor and I stick my tongue inside him. Maria reached around and grabs his butt cheeks spreading them even wider. This frees my hands and I begin fingering his ass with one hand as the other slips under him and mashes his balls. I move my finger in and out in sync with Maria's blow job and within minutes Seth is spurting deep into her throat as I jam a second in to heighten his orgasm.

By now we are all completely exhausted and go over to the bed to get some rest. Next thing I know it is nine in the morning as the phone rings. Seth answers and bolts out of bed. I ask what's up and he says the race starts in an hour and he is going to be late. I wake Maria up and we push him back down on the bed. Looks like the race may go on without him today.

demi & angelica

we're not that innocent

Demi says she's not usually attracted to girls, but finds Angelica not only beautiful on the outside but the inside, too. Anytime she'd see her at gym, she says she'd wear sunglasses when using the treadmill so she could check her out without moving her head. Then after some innocent flirtation, she still wasn't sure if she was in to girls, but Angelica answered that with a rousing romp in bed.

alanah twerking again for sex

I was just 19, and had the sex drive of a wild woman. No man could keep up with me, and one man definitely wasn't enough to satisfy my needy pussy. This morning a hunky personal trainer knocked at my door. He was there to help me fix my back pain. Before he even had his gym bag out, I was rolling around on the bed showing off my yummy goods. He found me so tight that every pump of my pussy made me scream. No matter how many positions we did, my pussy needed more. It wasn't letting go of his hard cock until the it was over.
